

Andrea Korney
Manager, Supplier Management, Diversity and Local Inclusion,
TransCanada

Andrea Korney provides strategic and functional leadership for Supply Chain's Supplier Management team. She is accountable to design, build and measure TransCanada's Diversity and Local Inclusion program.

Since joining TransCanada in 1995, Ms. Korney has held a variety of roles in Human Resources, Operations and Supply Chain Management. She has had experience in the energy industry in Upstream, Midstream and Downstream as well as various forms of Power Generation.

Ms. Korney's portfolio includes the optimization of a global supplier base to support TransCanada's projects and operational activities in Canada, USA and Mexico.
