

Russ Roberts
U.S. Operations Manager, Public & Government Affairs,
Downstream, Midstream and Chemical
Exxon Mobil Corporation

Russ is currently on special assignment near Corpus Christi, Texas as Public & Government Affairs Manager for a planned multi-billion plastics manufacturing project.

Before the special assignment, Russ was U.S. Operations Manager for Downstream, Midstream and Chemical Public & Government Affairs.

Russ has been with ExxonMobil since September of 1998. He has managed public and government affairs activities for ExxonMobil's major U.S. downstream facilities, the company's transportation of raw and finished products via U.S. railroads and pipelines, as well as terminals and ships across the world.

In previous global public affairs roles he has worked in corporate planning, exploration and production, chemical and media relations.

Russ received his undergraduate degree from Texas A&M University in Journalism. He is a former radio and television journalist for CBS and NBC networks in Texas, Arkansas and Louisiana. He finished his TV career with WDSU-TV in New Orleans before moving into the petroleum industry in 1995.

Russ lives in Houston, Texas with his wife, Lisa. They have four children – twin boys Karson and Korey (23), Mason (21) and Lyndsey (17).
