

Jesse Blair, Gas Sales Manager, CenterPoint Energy

Jesse Blair is Manager of Sales for CenterPoint Energy Intrastate Pipeline, where he provides natural gas related services to commercial and industrial customers. He helps with risk management tools on a daily and term basis along with helping access alternative supply solutions.

He began his career with CenterPoint Energy in the Rates and Regulatory Affairs in 1998, where he focused on commercial and industrial pricing and cost recovery for the utility's Gulf Coast jurisdictions. Jesse transitioned into the commercial business development group in 2007.

His background in both the regulated utility and competitive marketing environments has led him to work on a variety of initiatives including: commercial acquisitions, customizing structured products, valuing pipeline and storage assets, trading, pricing and product development, leading channel marketing activities and origination/utility sales focusing on the Midwest region.

Jesse is a native Houstonian and has a Master's degree in Business Administration from the University of Texas and a Bachelor's degree in Finance from the University of Houston.
