

Dakin DuBroc, Director of Health and Diversity, Entergy

Dakin is responsible for Entergy's Organizational Health, Diversity and Equal Employment Opportunity and Office of Federal Contract Compliance programs. In this role she works with senior leadership teams to establish and execute companywide strategies to foster a healthy culture at Entergy, leverage the power of diversity and create a workplace where all employees have the opportunity to grow, develop and reach their goals. Dakin has held a variety of roles in her fifteen-plus years with Entergy, working in communications, Fossil operations, System Planning & Operations, and Human Resources. She is also Six Sigma Black Belt. Loves to hike, run, kayak and be in the great outdoors!
